

Welcome

Our brief History

1844-1845 The old stone building on Young Road across from the present church was used as our church until 1874, when a white wooden church was built on the present site which included an open belfry with the bell that is still rung today.

1935 The church was destroyed by fire. Many of our pews still bear cinder marks from that fire.

1937 The foundation stone was laid and a new church made of Nepean sandstone was constructed. These stones make up the altar of our church today.

1985 A 4,300 square foot addition was built. These facilities were used until 2000 when plans began for a larger building to meet the needs of the growing community.

2004 On September 19th, Bishop Peter Coffin confirmed a number of parishioners and celebrated with us as we held the first service in our new church home.

Our Vision: A growing community called to know Jesus Christ and make Him known in the world by our presence.

Parish of Hazeldean-Kanata

20 Young Road

Kanata, ON K2L 1W1
